

# GREENTREE PROJECT MANAGEMENT

SYSTEMATIC PROJECT SUPPORT

June 2007

RE: Company Overview

Gentlepeople:

Issachar Corporation was incorporated in Virginia, USA in December 1991. Our mission has been to provide information technology services for our clients chiefly in the areas of:

- Project Management (PM),
- Custom software applications for:
  - Computer-Aided Manufacturing (CAM),
  - Computer-Aided Drafting (CAD),
  - Computer-Aided Engineering (CAE),
  - Database Management (DBM),
- Architectural Documentation,
- Intellectual Property Illustration, and
- Technical Instruction for software applications and PC maintainance.

Both directly and indirectly, some of our clients include:

Asea Brown Boveri	Century Stair Company	Rural Patterns, Inc.
Fauquier Co. WSA	Next Step Design Group, Inc.	Elk Creek Raycarl
Stuart & Turnure, AIA	MH Drafting Services	L. J. Smith, Inc.
Mayfran International	Cleveland Twist Drill	SKF International
Microsoft	Cephalon	Iomega
Mull Chiropractic	Federal Pacific Transformer	TRW Fuji Valve
Tennessee Log Homes	Design Continuum	Line Power Corp.

[companyoverview2007.doc](#)

AstraZeneca Pharmaceuticals

Air Products and Chemicals, Inc.

Blue Ridge Orthopaedic Associates, P.C.

Exxon-Mobil

J.D. Eicher Builder, Inc.

Sandia National Laboratories

EDMAR

And numerous IP Law firms.

We are very grateful for the success that we have enjoyed while working to contribute to the success of these fine clients. Over the years, our services have continually shifted and adapted to the needs of our clients. Right now we see a renewal of our emphasis on Project Management. We are excited about this transition and the inevitable vigor that comes with strategic change.

It is my hope that we may find ways to serve your success in the upcoming months and years.

Grateful regards,

Wayne Turner, PMP  
President
